

REFER A COLLEAGUE T&CS

Physio First's Refer a Colleague scheme allows full and affiliate members to refer their contacts and colleagues to join Physio First.

The referral scheme allows our members to receive a £20 discount for each colleague that joins, this discount is reflected on their next subscription fee at renewal date (around 1st April).

The colleague who joins Physio First gains £20 discount at the time of joining. This discount is automatically applied to their fees.

Our referral scheme is uncapped which provides full and affiliate members with the ability to refer as many times as they want, meaning they could potentially get a free membership year.

Please be aware that the following restrictions when using our Refer a Colleague scheme:

- It is not possible to lapse and immediately re-join to gain advantage of the referral scheme
- If your membership has lapsed, you are not eligible to take advantage of our Refer a Colleague benefit during that same membership year (our membership year runs from 1st April to 31st March)
- If you have re-joined in less than a year using a Refer a Colleague code, then the £20 discount will not be possible. You will be asked to pay the full amount. Physio First's full or affiliate member who supplies the code will also not receive the £20 discount on their next renewal date
- If a full membership year or more has passed since you lapsed, and you wish to re-join, you can do so via the scheme
- If you have referred a colleague but they do not join, then you will not receive the £20 discount
- If you have referred a colleague but they are not eligible to be a member of Physio First, then you will not receive the £20 discount
- You will still receive the discount if you refer a colleague who has joined as a deferred member, however, if we do not receive confirmation that our deferred member has started practicing by the given date or if this date is extended and they wish to convert to a journal subscriber, then as the referrer who referred them, you will not receive the £20 discount on the next renewal date as well as the referee not receiving the £20 discount
- The Refer a Colleague scheme is not open to part time subscribers.

*As the contact or colleague receiving the code, please be aware that an email including the code will be sent, however, your contact details will not be retained within our mailing list, therefore, no further communication will be sent to you.
