FAQ's to help you navigate Clinic Membership with an active subscription

1. How Clinic Membership Works

- **Clinic Lead (Full Membership):**
The Clinic Lead retains full membership status, which provides access to all the benefits that a current full member receives. This includes resources, discounts, events, and any additional tools offered to full members.
- **Clinic Members (Limited Access):**
Other members of the clinic, would fall under the Clinic Membership as clinic members. They would have limited access to benefits. This means they would have access to key resources and tools but not the full range of benefits available to the Clinic Lead.

2. How much does Clinic Membership cost:

Clinic Membership is priced based on the number of physiotherapists in your clinic:

- **Clinic Lead + up to 3 Members → £400 annually**
- **Clinic Lead + up to 7 Members → £450 annually**
- **Clinic Lead + up to 14 Members → £550 annually**
- **Clinics with 16+ Members → Contact us at info@hq.physiofirst.org.uk for a custom quote**
